The conference fee for paper, poster or session holder is **275 EUROS**, covering all sessions and activities throughout the congress. Additionally, for those interested in joining us for the dinner at the conclusion of the congress, an additional fee of **35 EUROS** will apply.

To facilitate easy transactions, payments will be processed securely via the online form available on our website, as well as by regular bank transfer – check the '[How to pay](#)' section. If you need an invoice for the conference fee and dinner payment, please visit the '[Invoices](#)' section in the Circular.

The background of the page is a photograph of an ancient cave interior. The walls are covered in colorful frescoes depicting various religious scenes, including figures in robes and architectural elements. There are several arched openings or windows in the wall, some of which are dark, suggesting they might be covered or looking out into the dark. The lighting is warm, highlighting the textures of the rock and the pigments of the paintings.

2. Registration for pre- and post-conference trips

Please note that fees for pre- and post-conference tours must be paid separately, as they are processed through a different account. Thank you for your understanding and cooperation in this matter.

Pre-congress Tour (SGL Room) – **200€**
